

Agenda

Conference

**150 YEARS OF SCIENCE AT THE STAZIONE ZOOLOGICA ANTON DOHRN:
VALUING THE PAST TO PLAN THE FUTURE
06-07 JULY 2022**

Wednesday 06 July 2022

9.30-10.00	Registration
Welcome and Opening Remarks Chair tbd	
10.00-11.20	Roberto Danovaro (President of the Stazione Zoologica Anton Dohrn) Authority introduction: President Sergio Mattarella (tbc) Prince Albert II of Monaco (tbc) Minister of Foreign Affairs Luigi Di Maio (tbc) Minister of University and Research Cristina Messa (tbc) Mayor of Naples (Gaetano Manfredi) (tbc) Ambassador of Germany in Italy Viktor Elbling (tbc) Ambassador of Germany at the Holy See Dr. Bernhard Kotsch (tbi) Ambassador of Portugal Pedro Nuno Bártolo (tbc) President Accademia dei XL Corrado De Concini (tbc) Rector of the University of Naples “Federico II” Matteo Lorito (tba) Annibale Mottana (Accademia Nazionale dei Lincei) (tbc) Edith Finlay, Dohrn Family representative
Session 1: From “Zoologische Station” to “Stazione Zoologica Anton Dohrn - Istituto Nazionale di Biologia, Ecologia e Biotecnologie Marine” Chair: tbd	
11.20-11.40	Christiane Groeben (SZN) “Great aims seem foolish at the outset”: Anton Dohrn and the foundation of the Zoological Station
11.40-12.00	Telmo Pievani (Padova University) <i>Dohrn and Darwin: a dialogue towards the future</i>
12.00-12.20	Domenico De Masi (Rome) <i>Anton Dohrn – manager of science ante litteram</i>
12.20-12.40	Fabio De Sio & Heiner Fangerau (Düsseldorf University) <i>The Stazione Zoologica di Napoli between the 1940s and 1970s: from international center to international niche</i>
12.40-13.00	Jörg Ott (Vienna) <i>Rupert Riedl, the Gulf of Naples and the Stazione Zoologica – a long lasting relationship</i>

13.00-14.20 Lunch /catering on the Roof of DaDoM

Session 2: “Freedom for research”: the scientific community at the SZN
Chair tbd

14.20-14.40	Katharina Steiner (University of Geneva) <i>‘Scientific Fishery’ in the Gulf of Naples: The Zoological Station and its Research Program 1873-1913</i>
14.40-15.00	Ariane Dröscher (Bologna University) <i>The young women and the sea: the first generation of female guest investigators at the Stazione Zoologica</i>
15.00-15.20	Christiane Groeben (SZN) <i>Hospitality and community: the Naples Experience</i>
15.20-15.40	Bernardino Fantini <i>The Two Rooms of Anton Dohrn’s Dream: The Beauty of Art and Science at the Naples Zoological Station</i>

15.40-16.20 Coffee break

Session 3: Lessons learned in the last 150 years of marine research
Chair: tbd

16.20-16.40	Alessandro Minelli (Padova University) <i>150 years of zoological researches at the SZN - Sounding the disparity of marine life</i>
16.40-17.00	Matthew Frost (MARS) <i>Valuing marine stations in Europe and beyond</i>
17.00-17.20	Jane Maienschein (Arizona State University) Zoom <i>Why study biology by the sea?</i>
17.20-17.40	Nando Boero (Naples University) <i>From the Fauna and Flora monographs to Lo Bianco’s Phenology, to Biodiversity and Ecosystem Functioning: the old visions become avant-garde</i>

Dinner & Social event

19.00-20.30	Concert at the DaDoM
21.00-22.30	Dinner at the Aquarium

Thursday, 07 July 2022

09.00-10.00	
Session 4: Roads to the Future	
Chair tbd	
09.00-09.20	Tim Hunt - Zoom <i>On the variety, roles and importance of marine stations for the science of the future</i>
09.20-09.40	Wiebe Kooistra (SZN) <i>Realizing Anton Dohrn's dream: The European Marine Biological Resource Centre (EMBRC)</i>
09.40-10.00	Roberto Bassi (Accademia Lincei) <i>The potential of the marine biotechnologies</i>
10.00-10.20	Frédéric Briand (Mediterranean Science Commission, CIESM) <i>On plankton, whales, seabirds ... research mysteries at low and high Reynold's numbers</i>
10.20-10.40	Roberto Danovaro (SZN) <i>Deep in the future of Our Oceans</i>
11.20-11.40	Closing Remarks President Roberto Danovaro and Ambassador Christiane Groeben

[14/06/22]
